Tishman Realty & Construction Co., Inc.
30 Church Street
New York, New York

Attention: Mr. Milt Gerstman

Gentlemen:

RE: The Safety Program presented by
Mario & DiBono Plastering Co., Inc.

1. The respirators to be worn by sprayers and material handlers will be the approved type respirator for asbestos fiber number MSA Dustfoe 66 manufactured by Mine Safety Appliances Co., 201 North Braddock Ave., Pittsburgh, Pa. 15208.

2. The protection methods to contain the fiber in restricted areas will be as follows:

   The exterior of the building will be protected with safely designed canvas to insure a minimum of fiber from going beyond the outside wall of the building.

   Interior protection will consist of either or both poly frame panels and or canvas which will be used to section off and isolate as well as possible areas which are being sprayed.

3. A specific program scheduled to be most advantageous as to the proper and effective cleaning job will be set up and followed as closely as possible.

Very truly yours,

MARIO & DI BONO PLASTERING CO., INC.

Louis DiBono
